TAX REFUNDS (VAT)
AND OTHER INTERNATIONAL
BUSINESS SERVICES

Specialized in VAT refunds and VAT related services

When you purchase goods and services abroad, you are almost always eligible for a VAT refund. Since 1969, Nikosax A/S has specialised in foreign VAT rules and regulations - making Nikosax an excellent choice for achieving maximum reimbursement of VAT.

VAT can be refunded on a wide range of goods and services:

- truckwash
- diesel / fueloil
- petrol / gasoline
- lubricating oil
- spare parts / accessories
- repair / service
- tolls
- roadmaps
- hotel accomodation
- trade fair visits
- stand rent / fair costs
- taxi / cab / rent-a-car
- phone / fax costs
- meal allowances
- entertainment

All member states of the EU together with Canada, Faroe Islands, Iceland, Japan, Liechtenstein, Macedonia, Monaco, Norway, South Korea and Switzerland will refund VAT provided a company fulfils the following two conditions:

1. The company must be VAT registered in its home country -
2. It must be located in an EU member state, although many of these countries – partly by reciprocity – also refund VAT to companies in non-member countries.

Avoid complicated rules and paperwork

SEven though countries offering reimbursement of VAT follow the same procedure for refunding the VAT, they each have their own special rules and national legislation. That is why you can save both time and money by having Nikosax apply for your VAT refunds. At Nikosax, we have the needed knowhow and contact network. Send us written power of attorney to handle your VAT application together with original documents of expenditure and Nikosax will take care of the rest. We sort out receipts, complete the application form, write

to the foreign authorities, receive the refunded VAT amounts and send you a cheque for the refunds together with your original vouchers.

We can claim your VAT refunds from the following 35 countries:
